

Maa Blood Bank

Overview:

The purpose of this manual is to provide standard guidelines for the functioning of MAA Blood Bank Centre. It ensures that all activities—from Donate Blood, Find Blood, Register Donor and Blood Drives.

Url: <https://maabloodcentre.com/public/>

How Blood Donation Works

Simple steps to save lives

1

Registration

Fill out the donor registration form with your basic information and health details.

2

Health Screening

Quick health check including blood pressure, pulse, and hemoglobin levels.

3

Donation

Safe and comfortable blood donation process that takes about 10-15 minutes.

4

Recovery

Rest and refreshments provided. Get your donation certificate and thank you.

• Login:

The Login module allows authorized users such as administrators, doctors, staff members, and registered donors to securely access the MAA Blood Bank system. It ensures that only verified individuals can manage, update, or view sensitive donor, patient, and blood stock information.

Key Features:

- Mobile Number
- Enter Otp
- Send Otp
- Submit

Kyc Form:

For the KYC (Know Your Customer) Form of MAA Blood Bank, you'll want to capture all essential personal, medical, and verification details of donors, patients, or partner organizations in a way that meets legal, safety, and regulatory requirements.

Key Features:

- **Donor Profile:**
 - Full Name
 - Father Name
 - Date of birth
 - Gender
 - Address
 - Email
 - Occupation
 - ID Type
 - Telephone

The screenshot displays the MAA Blood Centre website's KYC form. The header includes the MAA Blood Centre logo, navigation links (Home, About, Services, Blood Drives, Contact), and login buttons for Admin and users. The form itself is a structured grid of input fields. It starts with 'Address' and 'Village' fields. Below these are 'Post Office', 'District', and 'Pin' fields. The next row contains 'Email *', 'Fax', and 'Telephone' fields. A checkbox for 'Call / Email Notifications' is present. Below that is a section for 'Have you donated previously?' with a 'No' selection. The form concludes with a 'Create Account' button.

Address		Village
<input type="text"/>		<input type="text"/>
Post Office	District	Pin
<input type="text"/>	<input type="text"/>	<input type="text"/>
Email *	Fax	Telephone
<input type="text"/>	<input type="text"/>	<input type="text"/>
<input checked="" type="checkbox"/> Call / Email Notifications		
<input type="checkbox"/> Have you donated previously?		
Did you have any discomfort during/after donation		
<input type="radio"/> Yes <input checked="" type="radio"/> No		
<input type="button" value="Create Account"/>
